Be visible on the exhibition's digital showcase and leave an impression on every page!

DIGITAL EXHIBITION CATALOGUE

Türkiye's and EMEA Region's Most Comprehensive Lubricant and Industrial Oil Platform

Our aim at the Eurasian Lubricants Show is to bring together thousands of decision makers and all the components of the lubricant industry, to bring together Lubricant, Industrial Lubricant, Chemical and Equipment companies and all end users of the sector with buyers, and to present the latest developments in the sector to the participants first-hand with the conferences and workshops we will organize during the exhibition.

Visitors from both the lubricants and industrial lubricants industry and end-users can find all the products the industry needs, including finished lubricants, additives, process and production equipment, automation systems, testing and analysis services and the latest technologies.
